SUMMARY

Full stack web developer, with experience building web apps in both Node.js and Rails, including Angular.js for a dynamic front end experience, and both Postgres and MongoDB for databases. I've recently graduated from General Assembly's Web Development Immersive, and am seeking a full time position as a web developer here in Seattle. I'm passionate about building web apps with a team of talented people.

SKILLS

Web Development

Languages Javascript (including Node.js), Ruby, HTML5, CSS3
Frameworks/MVC AngularJS, jQuery, Express.js, Rails, Sails.js
Database Tools Postgres, MongoDB, Sequelize
Authorization Bcrypt
Testing RSpec
Other Git/GitHub, Heroku, AJAX, JSON, Bootstrap

Professional

Leader, project management, training, problem solver, team oriented, critical thinker, self-starter, creative

EXPERIENCE

November 2014 - February 2015
Student, General Assembly

3 month full-time immersive coding bootcamp, building web apps using MEAN stack and Ruby on Rails. 70+ hours per week, including classroom learning, daily homework problems, and building 3 full scale web apps for projects. Came in as a tutorial level programmer, graduated with extensive experience in building web apps, from front-end to back-end. Worked both individually and on teams to complete projects on time.

August 2011 - October 2014
Music/Production Director
Mars Hill Church

Developed and oversaw teams of 40+ people in bands and production teams. Was responsible for events and weekend services, logistics, service flow, music, and all technical elements. Oversaw and trained volunteers on all productions systems: live audio, theatrical lighting, video/graphics. Recorded album with original music that was released internationally.

January 2009 - August 2011
Real Estate Appraiser
Epic Appraisal

Completed hundreds of appraisals on residential properties in Snohomish, King, Pierce, and Thurston counties. Took lead on all aspects of appraisals, including comparable property search, onsite inspection of home, and writing/creation of appraisal report. Completed 1,800+ hours of apprenticeship and 200+ hours of classroom hours in preparation to become a WA state certified appraiser.

August 2005 - January 2009
Associate Creative Arts Director
Evergreen Christian Community

Assisted in oversight of band and production teams. Helped launch after school arts program, and taught classes in guitar, drums, and band. Oversight of events and weekly services.

EDUCATION

2003 - 2007

Saint Martin's University
Bachelor of Arts of Degree

INTERESTS

Music, guitars, motorcycles, craft beer, the outdoors, the Pacific Northwest, camping
